

Tales of inspiration

Confetti è il racconto di un viaggio che inizia a Venezia per aprirsi al mondo con l'allegria, i suoni e i colori di una città sempre affascinante, al tempo stesso spensierata e profonda, esclusiva e popolare.

Confetti is the story of a journey that begins in Venice where it offers the world all the joy, sound and colour of a city that is always enchanting and both profound and carefree, exclusive and accessible.

Confetti est le récit d'un voyage qui démarre à Venise pour s'ouvrir ainsi au monde de la joie, des sons et des couleurs d'une ville qui reste à la fois toujours fascinante, légère, insouciante, mais aussi profonde, exclusive et universelle .

CONFETTI

Eccoli, i coriandoli, chiamati in origine Confetti: effimeri ritagli lanciati al vento durante il carnevale. Ed ecco i pavimenti in terrazzo e battuto dei palazzi sul Canal Grande, dove quei coriandoli sono stati fissati per sempre.

"If you read a lot, nothing is as great as you've imagined. Venice is. Venice is better."
Fran Lebowitz

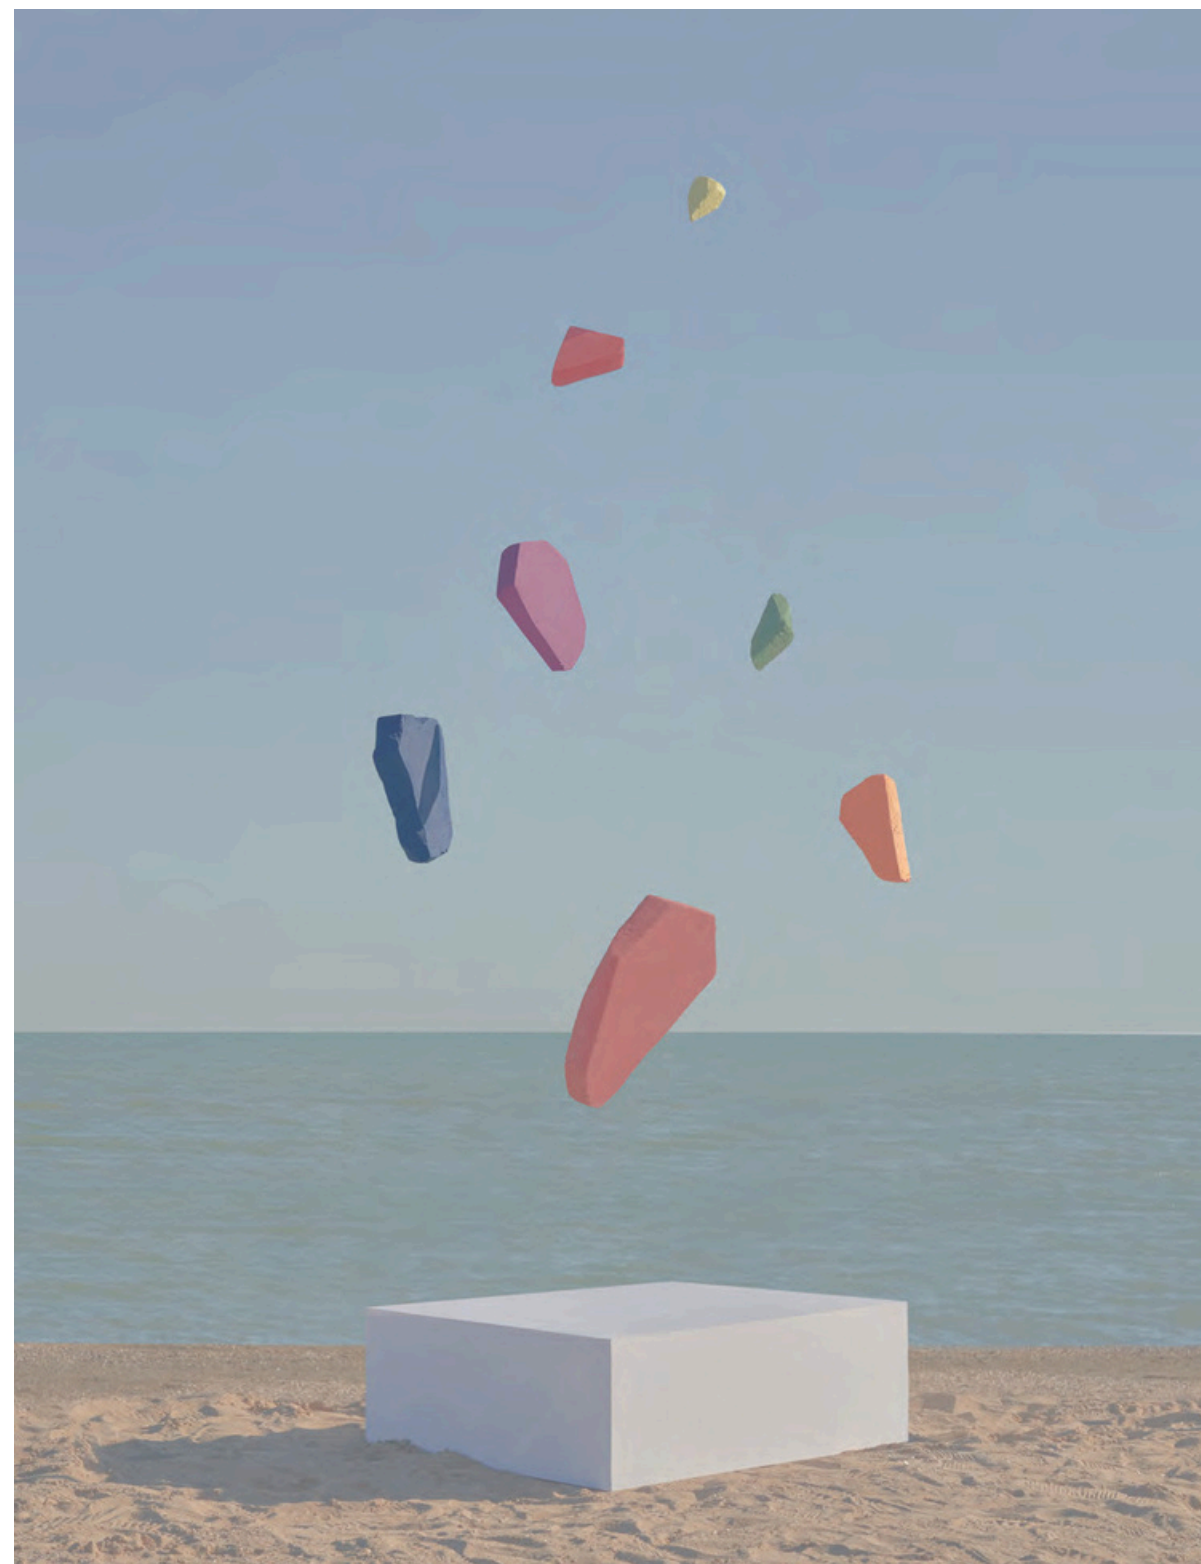

Here is the confetti: those ephemeral strips of paper thrown to the wind at Carnival time. And here is the Terrazzo flooring of the splendid palazzos on the Grand Canal where that confetti has been captured forever.

"If you read a lot, nothing is as great as you've imagined. Venice is. Venice is better."
Fran Lebowitz

Les voici, ces petits morceaux de papiers colorés, à l'origine appelés Confetti, éphémères matières colorées, lancés au vent durant le Carnaval. Les sols vénitiens en terrazzo où se retrouvent ces Confetti fixés pour l'éternité.

"If you read a lot, nothing is as great as you've imagined. Venice is. Venice is better."
Fran Lebowitz

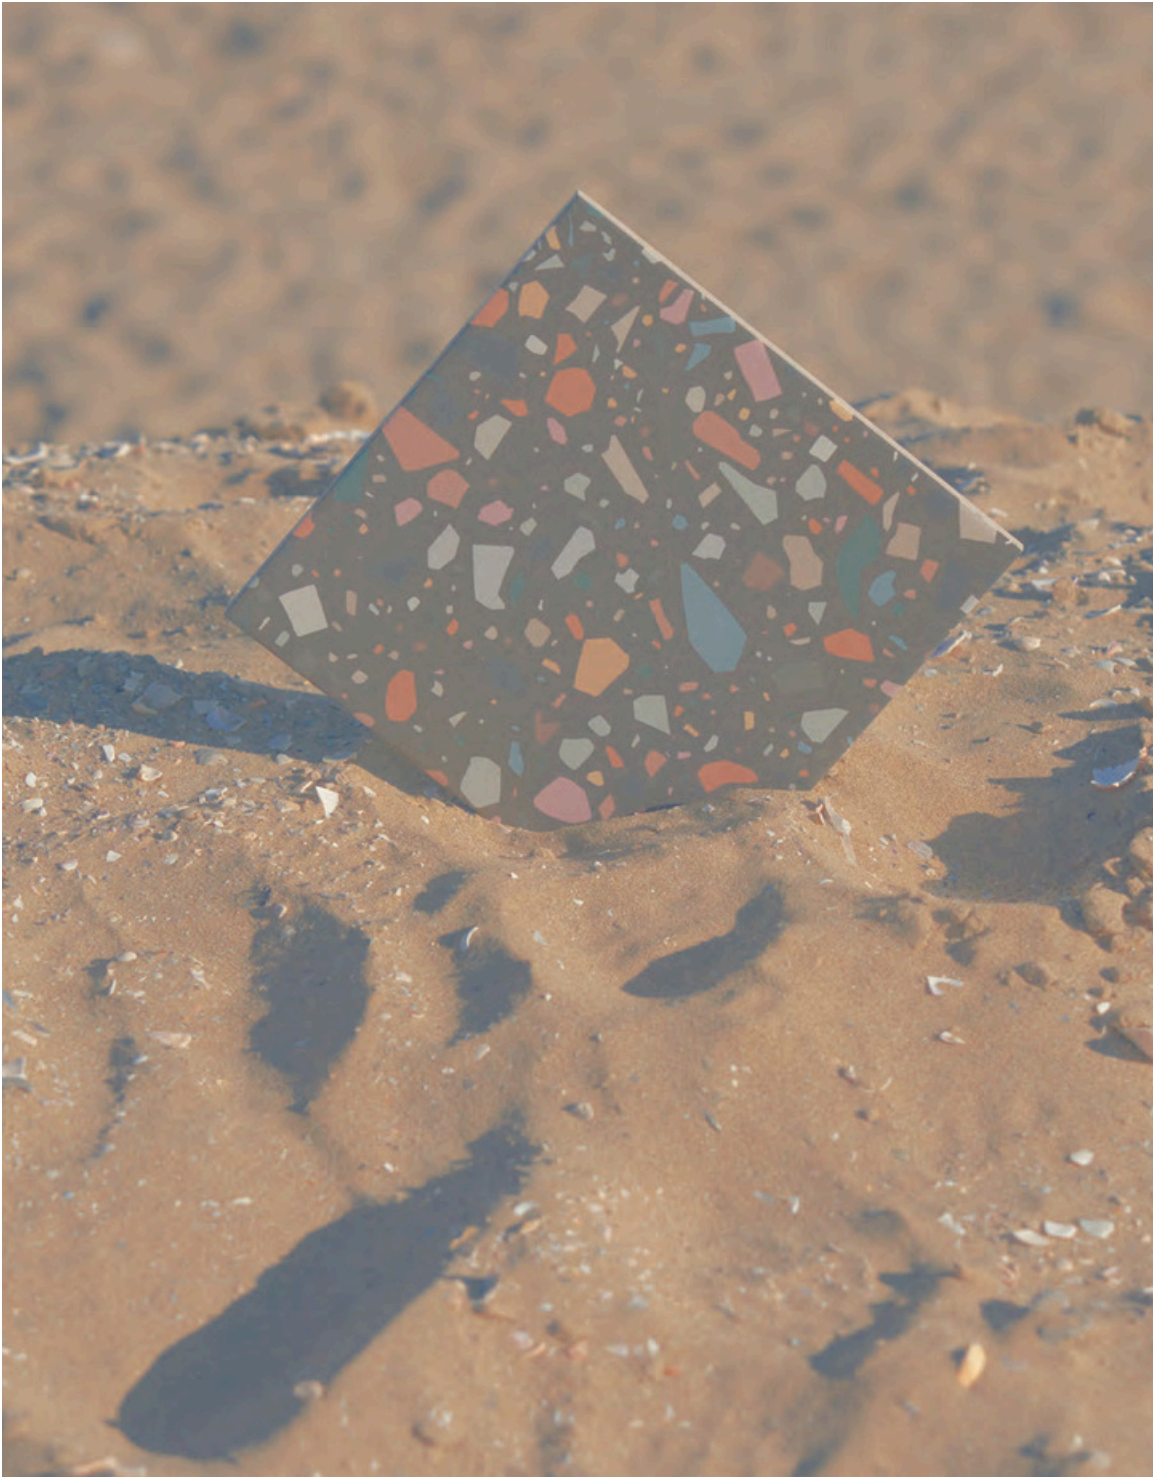

Culture with a twist

La collection Confetti réinterprète de manière contemporaine les sols vénitiens en terrazzo, mais ici en grés cérame émaillé de 18,6x18,6 cm et non rectifié. Elle est caractérisée par une finition opaque très naturelle au travers de laquelle apparaissent les points de couleurs.

Disponibile dans 8 couleurs, dont 5 couleurs sur un fond clair et 3 sur un fond plus foncé, les tonalités des Confetti vont des nuances chaudes des beiges et terres, aux tonalités neutres des gris, auxquelles s'ajoutent les déclinaisons sophistiquées des bleus, pétrole et azur, ainsi qu'un panaché multi-couleurs ; tout cela pour une collection qui, de son mouvement esthétique

et de sa gamme chromatique (par ailleurs parfaitement coordonnée aux collections murales Quintessenza) en fait son point de force.

Culture with a twist

La collezione Confetti reinterpreta in chiave contemporanea i pavimenti in terrazzo e battuto alla veneziana con un grés porcellanato 18,6x18,6cm non rettificato. È caratterizzata da una mano opaca e polverosa, nella quale spiccano le scaglie colorate.

Disponibile in 8 colori, 5 con fondo chiaro e 3 con fondo scuro, le tonalità degli inserti vanno dalle nuance calde dei beige e terra ai toni neutri dei grigi, ai quali si aggiungono sofisticate declinazioni sui toni blu, petrolio e azzurro e un variopinto multicolor, per una collezione che fa del movimento estetico e della gamma cromatica - perfettamente abbinabile ai rivestimenti Quintessenza - il proprio punto di forza.

Culture with a twist

The highly contemporary Confetti collection restyles Venetian Terrazzo flooring in a non-rectified, 18.6x18.6cm format porcelain stoneware. This collection stands out for its dusty, matt finish that contrasts with the coloured chips.

Available in 8 colours, 5 with a light background and 3 with a dark background, and chips in shades ranging from warm tones of beige and earth to neutral greys and sophisticated hues of light and dark blue, multi-colours and petrol green. This combination creates a collection whose strength lies in its style and colours that combine perfectly with Quintessenza wall tiles.
